Our Team:

Events Consultant Management equipped with a creative, efficient and enthusiastic team of professionals.

Our team understands the meaning of clients' satisfaction, providing full and integrated service with excellence and **100% success** to many national and multinational companies by taking care of all aspects of the event such as: Events planning, hotel reservation, travel-related arrangements, registration of participants, on site management and logistics, pre/post meeting tours and social planning, in addition to arranging for sound & interpretation equipment according to the specific needs of the event.

Our Services:

1. Conferences:

Many event companies in the region all handling conferences, either from normal way or from a very high show aspect. Very few think from a creative, dramatic factor. We are specialized in conference organization and production Services. We offer event ideas that inspire and concepts that run, delivering incredible and tangible results for our clients every time.

- **A.V Equipments and Translation:**

The quality of the audiovisual component has the potential to make or break your event, that's why we don't leave anything to chance. From road shows and corporate conferences to glitzy award ceremonies, we will use our diverse resources and expertise with the latest technology to create the event that is unique and astounding. Whatever your requirements, we would love to hear from you.

- Logistics:

We are considered the first provider in Jordan for Logistical Services and Operations Management, Our specialized staff who are projects oriented have witnessed a wide range of operational experiences ranging from small to very huge logistics requirements.

Our services range depending on the size and requirements of the event, whether it was an Individual Traveler, Incentive Group, Conference Guests...etc

2. Exhibitions:

To prepare successful exhibitions a skilful organizing support is needed, and *Events Consultant* Team is ready to put effective touches into your exhibition (to make your exhibition a success).

- Venue Selection:

Choosing the right venue is important element to complete the perfect view (show) in any exhibition *Events Consultant* helps you identify quality contractors to ensure that every aspect of the exhibition build-up and breakdown in seamless and cost-effective manner.

- Decorations:

For a long time, our company, *Events Consultant*, has been constantly presented as a comprehensive company at customized and product exhibition decoration services.

Stand design is one of the most important steps. Our designers provide tangible drafts for an impressive exhibition stand, relying on the basis of your company's image.

We fully attend to your project from raw sketches up to CAD drawings and photo-realistic 3D visualization of a stand design with the whole variety of our creative potential.

3. Seminars:

With *Events Consultant* your meetings, conventions concerning science, Business, culture, politics and sport will be organized for you in professional concept.

Our Team of expert technicians will help your seminars run smoothly by attending to all your requirements ranging from simple to fully equipping with high-quality.

4. Designing:

Your marketing materials create a first, and often, lasting impression of your company. Does your graphic design present the image you want, or could it do a better job of making an impression that people notice and remember?

You only have a few seconds to catch the attention of your prospects, and we have proven time and time again that we can help our clients do exactly that.

- Graphic Design and Printed Materials:

Are you ready for your business to grow like wildfire?

We provide a complete range of graphic design services for brochures, posters, billboards, and even logos. And we are Making and distributing of posters, sings, seating lists, place cards, menus, and gifts. In short, we can handle pretty much any graphic design needs you may have; just let us know what you're looking for.

5. Management Strategies:

Events Consultant is a leading management consulting firm serving with results-driven strategy and planning solutions that bring our clients operationally valued outcomes.

At *Events Consultant*, our strategic planning services focus on improving our client's overall business performance. We do this by creating greater opportunities for our clients to measure and improve their effectiveness while improving (creating) good approach to strategy development, planning and implementation - leading to powerful and modern organized strategies.

- Planning and Case studies:

Success doesn't just happen. It has planned for.

To continue developing the art of planning, you can be confident that we can provide you consistently with excellent results. Our expert level of planning and budgeting ensures deadlines are met and budget overruns never arise.

- Marketing Solutions:

Events Consultant has led a way in direct marketing solutions with clients that count themselves leaders in their respective industries.

Our analytics professionals address a need for high-quality, cost-effective customer management for consumer brands.

We believe that businesses that sell to a large number of customers needed a fundamentally different approach, by focusing on creating targeted touch points, rather than merely going broad with every campaign.

6. Travel and Tourism:

Events Consultant offers you services which are especially to your needs, and commits to deliver to you in order to live true experience that remains with you forever.

You can find all comfortable services with us:

- Business Travel
- Hotel Accommodation and Reservation
- Tours Program
- Ticketing
- Luxury transportation

7. Sponsorship Research:

Sponsorship research often takes so much time and needs a lot of effort, so it is hard to have a complete view about sponsorship; the key to success is to find and evaluate the appropriate sponsorship requirements so that all components of sponsorship can be available. Our solution includes both up-front planning and evaluation.

Our sponsorship evaluation service also offers an approach for setting goals and tracking activities.

8. Promotion and media campaign:

We offer our clients strong promotional support for their advertising campaigns. Our roster also includes prominent coverage of media campaigns.

Our business philosophy in promotion services is stable, highly experienced and loyal that enables us to produce superior results for our clientele.

9. Occasions:

Because we believe that you deserve professionally precious occasions that do not cost a fortune, we are here to provide just that. We love planning and our priority is making our clients happy. Let us help you create a precious occasion.

- Entertainment:

One of the most important mood-setting elements of any event, MUSIC can be incorporated in many ways throughout your event. To animate your special day, we will provide you all kind of entertaining: live show, and singers, from all over Arab world.

The entertainment mix is endless and we provide you with different tools to create fresh mood during your event.

Our Vision:

Our desire to excel and devotion to ensure better development of international trade and business makes us a leader and trend- setting in Meeting, conferences, exhibitions, and Seminars industry.

Achieving the specific objectives of your event forms the most important part of our planning process. We work closely with you to fully understand your requirements – and then fulfill them in imaginative, creative ways.

We understand that excellence is paramount, and in the midst of all the services we provide,excellence is at the forefront of everything we do.
